SUBJECT AND AUTHOR INDEX

Abell, Norman B.; A Comparative Study of the Variations of the Postrenal Vena Cava of the Cat and the Rat and a Description of Two New Variations 87

A Comparative Study of the Variations of the Postrenal Vena Cava of the Cat and the Rat and a Description of Two New Variations

I. Foreword 87

II. Variations of the Vena Cava Posterior of the Cat 89

A. Embryological Development of the Vena Cava Posterior 89

B. The Potential Forms of the Adult Vena Cava Posterior 90

C. The Variations Found in the Cat in this Study 92

III. Variations of the Vena Cava Posterior of the Rat 103

A. General Observations 103

B. The Variations Found in the Rat in this Study 103

IV. Conclusions

A. The New Forms Found in this Study 110

B. A summary of the Evidence Concerning Type Variants 110

C. A Summary of the Evidence Concerning Renal Veins 112

D. A Summary of the Evidence Concerning Sex Veins 113

V. General Summary 114

Abbreviations used 92

Plates (23) ..... pp. 93–109

Appreciation, In; Resolution 1

Brooks, Mrs. Dorothy V. N.; Geographical influences in the History of Granville, Massachusetts 70

Cancer, Where Do We Stand with? 21

Bibliography 29

Conodonts from the Fern Glen of Missouri 3

Age and Correlation of the Fern Glen 4

Evidence of the Conodonts 6

The Conodont Fauna 7

Details of the Fauna 8

Collecting Localities 8

Genus Bractrognathus Branson and Mehl 8

Bryantodus Ulrich and Bassler 9

Gnathodus Pander 10

Hindeodella Ulrich and Bassler 10

Ligonodina Ulrich and Bassler 11

Lonchodina Ulrich and Bassler 12

Metalonchodina Branson and Mehl 13

Ozarkodina Branson and Mehl 14

Palmatodella Ulrich and Bassler 14

Polygnathus Hinde 14

Prioniodina Ulrich and Bassler 15

Prioniodus Pander 15

Pseudopolygnathus Branson and Mehl 16

Subbryantodus Branson and Mehl 17

Trichognathus Branson and Mehl 18
